

Cavitron.

## Effortless rotation is now within reach

Introducing Cavitron Touch™ with Steri-Mate® 360—a reimagined unit that offers unprecedented<sup>1</sup> comfort and control throughout every procedure, featuring:

- Ergonomic design with lightweight cable and fully rotating Steri-Mate® 360 handpiece allows free flowing movement and access within the oral cavity
- An innovative touchscreen interface for ease of use

There's only one Cavitron®.
